

JBL On Stage^{®*} Micro II

Portable Loudspeaker Dock for iPod and iPhone

White

Share your music library with friends anywhere your travels take you, indoors or out. The JBL On Stage^{®*} Micro II measures just 150mm in diameter and weighs in at only 0.3kg. But with two JBL Odyssey[®] full-range transducers, it has the muscle to outperform many much larger systems. Four AAA batteries deliver hours of continuous use, and with a USB cable, you can even sync and charge your iPod or iPhone with iTunes.

Highlights

- >> Compact, lightweight, portable
